SUBJECT.

Construction of a chattram at Kolar Gold fields by Haji Ismael Sait-

Received

Note.

The Dy Comr proposes to build a Chattrum at the Gold Fields, and requests ~~sanction~~ immediate sanction to the work though the G.F. Board has not been consulted in the matter, as great inconvenience is felt for want of a Chattrum by the parties and witnesses attending the Civil and Criminal Courts at the Gold Fields. The Chattrum is estimated to cost 4000 Rs of which Mr Haji Ismail Sait has offered 2000 Rs as his contribution by way of gift. The sanctioned estimate of receipts for 93-94 in Kolar amounts to 68000 and the balance 17000. Only the other day a permanent charge of 700 Rs a year for Sanitation was thrown upon Dr Funds. The addition of 2000 Rs to the expenditure will bring down the balance to a sum much below the prescribed minimum of 25 per cent. It is further to be observed that the Chattrum is particularly wanted for the accommodation of witnesses & in the Special Magistrates' Court whose file consists almost entirely

of Amalgam and quartz-
thieving cases. It is certain
that but for the gold fields
& the large income of 4 Lakhs
they yield to Govt the
neither Court nor Lehutrum
nor Railway required nor Sanitation
costing 1400 Rs a year would
be needed in this locality.
Under these circumstances
I believe it is the policy
of Govt to debit all charges
necessitated by the
Sanitary & medical needs of
the mining population to
the Provincial Budgets.
Acting on this principle
the Deman ordered the
debiting of the cost of the
G. D. Dispensary at the
Gold Fields entirely to
Provincial. I submit
therefore that the Cost
of this Lehutrum should
be debited to Provincial
on the both on principle Jl.
& on the ground of want of
funds 19/9 Jl.

Jl.

If Govt would give the Dt Funds the usual
cess on the royalty & the Dt Funds take
over all sanitary and other works

that I think would be the most satisfactory arrangement.

JP

As we decided the other day in the case of other sanitary measures, when DI funds may be made to bear only the net cost, the other half being borne by the Pool funds. If the Dewan approves of this, the estimate may be sanctioned subject to the approval of the DI Fund Committee
